If all lanes are being used to full capacity, it is requested that members, participants and guests be courteous and restrict their workouts to a reasonable time frame. The Crosby Wellness Center reserves the right to limit the number of participants in the swim lanes and pools for the safety (health and wellness) of our members, participants, guests and staff.

Any adult who is experiencing even a mild case of diarrhea may not use the pool. Persons with diarrhea should wait two weeks after symptoms end before returning to pool. For your health and safety, it is recommended that you do not use the pool if you have an open wound.

In the case of an electrical storm within three miles of the facility, the pools, spas and wet areas will be closed until the storm has passed and there has been no thunder or lightning for 30 minutes.

All wet areas (pools, saunas and showers) close 15 minutes before the facility closes. The Crosby Wellness Center does not have lifeguards on duty. Pools will be closed periodically for mandatory maintenance and cleaning.
